Global Entrepreneurship Week - Celebration of Excellence

One Day. Two Experiences.

Thursday 19 November 2026 | No. 1 Circle Square, Manchester

Become our GEW Event Partner

We have an exclusive opportunity for an expert voice.

We're looking for an expert to take centre stage for the morning of our **Global Entrepreneurship Week** event working directly with an audience of ambitious women who are building, leading and growing businesses.

This isn't a logo-on-a-screen sponsorship. It's an opportunity to show people what you do, demonstrate the value you bring and start relationships with potential clients, programme participants and members.

Lead a masterclass that gets people working

Deliver a Masterclass with a follow up practical, interactive activity.

We want women to leave with something they can use in their business. Bring a real challenge into the room and use expert guidance, peer groups and shared experience to work through it, or tackle a key growth challenge - from strategy and leadership to sales, scaling, finance or building the right team.

Add a practical takeaway or follow-up to continue the relationship beyond the session.
Then be our guest for lunch and **EVAS Celebrating With Excellence**, bringing a second audience and more opportunities to connect with potential clients, participants, advocates or members.

Choose the opportunity that fits your goals - or talk to us about creating something bespoke.

Don't just put your logo on an event. Put your organisation at the heart of the conversations, connections and opportunities happening in the room.

If you want to reach ambitious women in business, showcase your expertise, build relationships or simply get your brand seen by the right people, we'd love to talk.

Let's create something valuable - together.
